Thank you to the All Sports Booster Club for your generosity and support of our student athletes and coaches. Thank you to all the parents who have athletes involved in one or more of our programs and your support. Our success would not occur without your commitment to our school, our students, and our community.

Finally, I would like to encourage each and every one of you to join me in supporting all our fall teams—whether it is by contributing to the All Sports Booster Club or by cheering on the sideline, your help and support is always greatly appreciated.

It's always great to be a Lancer!
